Trustees' Annual Report for the year ended 31 December 2021

The trustees present their annual report and financial statements for the year ended 31 December 2021. The financial statements have been prepared in accordance with the accounting policies set out in the accounts and comply with the General Assembly Regulations for Congregational Finance, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 published on 16 July 2014).

Objectives and activities

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

If the Trustees were asked to suggest a phrase which summed up 2021 as a year, it would most likely be "stop-start". For there have been spells when the congregation has been able to meet in person at different services and events and at other points of the year, with the spreading of the Omicron variant of Covid-19 (Coronavirus), we have restricted our activities. At all times, the Trustees have ensured compliance with both Scottish Government legislation and Church of Scotland guidance.

The Sunday School continues to meet and weekly activities, all with a Christian message, are provided. A highlight of this year was the creation of a "Puppet Nativity" which was shown to the congregation and was well received.

As the year progressed, the Trustees were delighted to see the restarting of several organisations, Carpet Bowls, Badminton Club, and Baby & Toddlers Group, and the return to using the premises of the Woodlands Outdoor Kindergarten (WOK). Sadly, as a result of the pandemic, the 29th Glasgow Girls' Brigade Company closed during the year. The Trustees express their gratitude to the Company's Officers and Staff for their endeavours.

Achievements and performance

The worshipping life of Eastwood Parish Church is now a hybrid one, with worship provided in person in the Sanctuary and broadcast simultaneously on our church YouTube channel. A recording of the service is published on our church website, where a written copy of that day's service can also be found.

A Lent study, Christmas Eve and Christmas Day services were held on Zoom during this year. Our minister and his colleagues from Pollokshaws, Pollokshields, and Shawlands Trinity Church of Scotland Churches, provided a recording of "T'was the Night Before Christmas" on Christmas Eve, which published on social media channels and website.

We have continued to provide pastoral care and funerals during this year. Elders have kept in touch with members of their district and a weekly opportunity for chat and friendship has been provided on Zoom.

Our minister continues to be involved in the Chaplaincy Teams at the local primary and secondary schools.

We have also strived to continue fundraising for others. During the year we have supported Christian Aid, MacMillan Cancer Support, Poppy Scotland, The World Day of Prayer and The Lodging House Mission, as set out in note 14 to the accounts. Prior to Christmas, our members once again donated many Christmas gifts for disadvantaged children and teenagers in Glasgow for subsequent distribution by the Council's Social Work Services.

Although we have been restricted in many ways during 2021, the Trustees and members have continued to serve our parish and community, as well as playing out part in the wider work of the Presbytery of Glasgow and the Church of Scotland. We have been part of focus groups and have begun discussing with other local Church of Scotland Congregations, how we can contribute to the need to create a new Presbytery Mission Plan for Glasgow. The Trustees acknowledge that change is required and are willing to play an active part in reimagining how the Church of Scotland serves our part of the city.

During the year, the congregation took part in the Church of Scotland's National Giving Day Initiative. The Trustees, once again thank the members of our congregation, for their generosity.

Achievements and performance (continued)

During January 2021, our minister accepted a request from the Church of Scotland's Faith Nurture Forum, to remotely supervise Mrs. Gillian Rooney, who was serving her probationary ministry placement at Giffnock: Orchardhill Parish Church. The Trustees valued Mrs Rooney's contribution to the life, work and witness of Eastwood Parish Church and were delighted to hear of her induction as Minister at Giffnock: Orchardhill during December 2021.

As always, the sincere thanks of the Kirk Session and congregation are due to the many organisers and volunteers who make all of the above activities possible and enjoyable. We look forward to their continuing help and support.

Financial review

The statement of financial activities set out on page 6 shows that income from all sources increased by £2,469 compared to 2020. However, ignoring the effect of other income (see note 5) which includes transfers from The General Trustees, grants and restricted donations, total income was £15,308 greater than in 2020. This is mainly as a result of increases in premises letting (£13,409) as a result of COVID-19 meaning that the halls were unable to be utilised for a large proportion of 2020. While some members regularly increase the amounts they donate, it remains the case that most have not done so and so we again appeal to all those members to review and, if possible, increase their offerings towards our work. A full financial stewardship campaign is planned during the coming year.

Other income (note 5) includes receipts from The General Trustees (see explanation in Appendix) as well as grants or restricted donations received. In the current year, this included £5,193 donated as part of the National Giving Day initiative as well as £1,537 in relation to the Coronavirus Job Retention Scheme in the earlier part of the year.

Overall expenditure in 2021 decreased by £45,979 as a result of a combination of lower salaries, a lower ministries & mission cost and maintenance costs. Many of our costs are relatively fixed in nature but the age and condition of our buildings continues to mean that we have no option but to spend whatever is necessary to keep them in an acceptable condition. This makes year on year comparisons quite difficult and rather meaningless. Efforts to control and, wherever possible, reduce our running costs continue.

The statement of financial activities on page 6 shows that our net income in the year was £21,824 and this is reflected in the overall increase in total funds on the balance sheet on page 7. Note 13 summarises the movements on all the individual funds and shows that, at 31 December 2021, we had total reserves of £101,939 (2020: £80,115), of which £19,779 (2020: £9,964) is restricted for specific purposes. The unrestricted funds balance has increased from £70,151 to £82,160.

Risk management

The key risk continuing to face this congregation, in common with many other churches, is its ageing and declining membership and ever increasing costs, primarily related to buildings which were constructed to accommodate congregations many times larger than is now the case.

We are addressing this by working to encourage our many volunteers to remain focused; to promote new ideas and efforts to bring more people into the church; to ask those who are already here to review their contributions.

In addition, as a result of the current COVID pandemic we have re-assessed all of our risk assessment procedures in line with the Church of Scotland and Scottish Government guidelines around re-opening of all buildings (when able), including the Church and hall facilities. Any organisation using the facilities has to ensure that they are following the most up-to-date guidelines around social distancing and cleaning in particular, with new signage and restrictions being in place in both buildings. We are monitoring the impact of COVID on our reserves and ongoing cash flows to make sure we can pay our liabilities as they fall due.

Reserves policy

It is the Trustees' desired policy to hold unrestricted reserves (including designated funds) equating to approximately six months' expenditure. At the year end the Church held unrestricted funds of £82,160 of which £20,547 had been designated for fabric purposes.

Structure, governance and management

The Congregation is a registered charity (number SC000277) and is administered in accordance with the terms of the Deed of Constitution (Unitary Form) and is subject to the Acts and Regulations of The General Assembly of The Church of Scotland.

Members of the Kirk Session are the charity trustees. The Kirk Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills. The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery.

The Minister acts as Moderator to the Kirk Session which meets to deal with all matters relating to the management of the church on at least six occasions a year. Certain responsibilities are delegated to specific working groups established by the Kirk Session. These groups carry on the everyday business of their allocated remits between meetings. The Kirk Session is also responsible for spiritual affairs within the church.

Trustees' Responsibilities in relation to the Financial Statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practices).

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. Although not legally required to do so in this case, the trustees have decided to present accounts which comply with the applicable Charities SORP. Having decided on that, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ to legislation in other jurisdictions.

Independent Examiner's report to the Trustees of Eastwood Parish Church
Year ended 31 December 2021

I report on the accounts of the charity for the year ended 31 December 2021 which are set out on pages 7 to 14.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity trustees consider that the audit requirement of Regulations 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations
- to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The Charity meets the definition of a public benefit entity under FRS 102.

Fund accounting

Funds are classified as either restricted funds or unrestricted funds, as defined below.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have created a fund for a specific purpose.

Further details of each fund are disclosed in note 13.

Income recognition

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Legacy gifts are recognised on a case by case basis following the granting of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification of the dividend due has been received.

On receipt, donated professional services and donated facilities are recognised as income on the basis of the value of the gift to the charity, with the value being assessed by reference to the amount the charity would have been willing to pay for equivalent services or facilities on the open market; a corresponding amount is then recognised as expenditure in the same period. In accordance with the Charities SORP (FRS102) the general volunteer time of congregation members is not recognised.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

The charity is not registered for VAT and expenditure therefore includes irrecoverable input VAT against the expenditure heading for which it was incurred.

Fixed assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the church, halls and manse, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the Statement of Financial Activities in the period in which the liability arises.

Accounting policies (continued)

Investments

Investments are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing market price. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year.

Taxation

Eastwood Parish Church is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities.

All Church of Scotland congregations contribute to the National Stipend Fund which bears the costs of all ministers' stipends and employer's contributions for national insurance, pension and housing and loan fund. Ministers' stipends are paid in accordance with the national stipend scale, which is related to years of service. For the year under review the minimum stipend was £28,700 and the maximum stipend (in fifth and subsequent years of service) was £35,269.

Eastwood Parish Church of Scotland, Glasgow

8 Trustee remuneration and related party transactions

During the year, one trustee (the minister) received reimbursement of expenses incurred in respect of council tax, travel and other expenses totalling £5,179.

No trustee or person related to a trustee had any personal interest in any contract or transaction entered into during the year.

During the year, a total of £38,135 was donated to the congregation by its trustees.

In common with all congregations of the Church of Scotland the congregation benefits from the contribution made by volunteers who give their time and talents willingly for the benefit of the Church. The areas of congregational life which rely on the contribution of volunteers are many and varied and much of the activity would be unable to continue were it not for the commitment shown.
